

# BACH Walk-In Services

Did you know that Blanchfield Army Community Hospital patients can receive many health care services on a walk-in basis or by telephone consultation?

To find out if you can save time with a telephone consult or walk-in care, contact BACH's Call Center at **931-431-4677 (HOSP) or 270-798-4677**. The Call Center can assist patients in deciding whether they can be served on a walk-in basis, by telephone consultation or if an appointment is necessary. Walk-in services are available in Air Assault, Byrd, Gold Army, and Young Eagle Medical Homes: Monday through Wednesday and Friday, 8 a.m. to 3:30 p.m., and Thursdays from 8:30 a.m. to 3:30 p.m. Walk in services are available in the Screaming Eagle Medical Home Monday through Wednesday, and Friday 8:30 a.m. to 11 p.m. and 1 to 3 p.m. and Thursdays from 1 to 3 p.m. Our medical teams are busy with administrative duties and lunch from 11:30 a.m. to 12:30 p.m.; therefore patients are welcome to check in during this time but may have to wait longer for walk-in services.

**The following services are available as a walk-in service in your assigned clinic for suspected:**

- Strep Throat (patients 2 years old and older)
- Diaper Rash (2 months and older)
- Pink Eye (1 year and older)
- Ringworm (other than on the scalp)
